"THE PERFECT OPPORTUNITY"

Another man named Simon is the latest Apostle to join the group. In a video "flashback", his older brother, Jesse is paralyzed when he falls from a tree; and he joins all the people waiting on an angel to "trouble the waters" of The Pool of Bethesda so he can be healed.

Simon joins the cult of extreme zealots and is commissioned to assassinate a Jewish Leader. He is just about to carry it out when he sees his brother walking after being healed by Jesus; and things begin to change.
